

You are cordially invited to the

# Pima Animal Care Center Public / Volunteer Forum

**Thursday, July 23, 6 p.m.- 7:30 p.m.**

**At the Abrams Public Health Center, 3950 S. Country Club Road Suite 100**

Last fall, Pima County voters approved a \$22 million bond to build a new animal care center.

We invite you to share your vision for the new facility with representatives from Line & Space, the local architectural firm that will be designing the new facility.

As the only shelter in our community that never turns away a pet in need, we are committed to making this project a success for the pets and people we serve. We hope you will join us on this journey, and we thank you for your support!
